Cub Scout Family Camp- Spring '21
Pipsico Scout Reservation

The Tidewater Council, Boy Scouts of America would like to invite you to Cub Scout Family Camp at Pipsico Scout Reservation (PSR).

April 17th – 18th, 2021

The Cub Scout Family Camping Weekends are an opportunity to enjoy some time in the great outdoors and get away from the busy buzz of the city for the weekend. Family Camps are hosted by Pipsico Scout Reservation (57 Pipsico Road, Spring Grove, VA 23881), a Tidewater Council owned and operated facility.

There will be a variety of activities to include Archery, BB's, and two different rocket stations. The program schedule is jam packed with activities; however, if a Scout tires out or a program doesn't interest you feel free to do your own thing. However please try not to arrive late to sessions as safety briefings must start on time.

Participants are invited to camp Saturday through Sunday or just show up for a fun filled day of activities.

****New for SPRING 2021**-** Scouts and siblings registering as participates will be enrolled in the Specialty Adventure Station! This station will have participants participating in a specialty activity (last year was rocketry) that will expand their skills and imagination!

Siblings age 4 and under are welcome to attend the event for no cost, however, will not be permitted to be in activity groups. ONLY youth registering as PARTICIPANTS will participate in this station and the other activity stations (limited to the first 200 youth).
