

The Tidewater Council, BSA would like to invite you to Pipsico Scout Reservation for the 2019 Spring Cub Scout Family Camp.

MAY 3 – 5, 2019

Cub Scout Family Camping Weekends are an opportunity to enjoy some time in the great outdoors and get away from the busy buzz of the city for the weekend. Family Camps are hosted by Pipsico Scout Reservation (57 Pipsico Road, Spring Grove, VA 23881), a Tidewater Council owned and operated facility.

There will be a variety of activities to include Archery, BB's, and two different rocket stations. The program schedule is jam packed with activities; however, if a Scout tires out or a program doesn't interest you feel free to do your own thing. However please try not to arrive late to sessions as safety briefings must start on time.

Participants are invited to camp from Friday through Sunday, or any portion in between. Families are welcome to arrive on Friday to escape the city and set-up camp and relax (this makes Saturday easier). Likewise, after a day of craziness on Saturday you are welcome to take it easy Saturday night and make your way home on Sunday.

****New for SPRING 2019****- Scouts and siblings registering as participants will be enrolled in the Space Adventure station! This station will have participants assembling and then launching Water Rockets as well as Model Rockets (powered by Estes Engines). Scout will be able to KEEP their rockets after liftoff and landing! **ONLY youth registering as PARTICIPANTS will participate in this station and the other activity stations (limited to the first 200 youth). Non-participants are welcome to attend, however will not be permitted to be in activity groups.**
