In July 1897, the S.S. Portland arrived in Seattle, WA, with more than a ton of Klondike gold on board setting off the great Klondike Gold Rush.

A Klondike derby is an event held by the Boy Scouts of America during the winter months and is based on the heritage of the Klondike Gold Rush. Since 1949, Boy Scout units have been participating in Klondike Derbies as a way to honor this historic time. Scouts pull a sled loaded with supplies from station to station and compete in various Scout skill based events. Pipsico Scout Reservation is carrying on the tradition! Webelos patrols may attend with a Scouts BSA unit.

To make registering for events easier than ever before, we are rolling out a different system. *If you have trouble registering, view these 3 min. videos: [PART 1](#) - [PART 2](#).* You CAN register AND pay online using funds from your unit's Scout Store account. The transaction and reservation are not complete until check-out is done with payment posted be sure to complete the registration process in Black Pug by selecting the names of all participants, both youth and adult attending the event (this allows for a much faster check-in).

The Klondike Derby consists of a race between multiple stations where patrols/ teams/ units will test their Scout skills and their leadership abilities, earning points towards a total score. Each team must transport their gear that will be necessary to complete the stations on a homemade sled with wheels pulled by the Scouts. Lunch on Saturday is the only meal provided by camp for this event. All other meals for the event will be provided and prepared by the individual units within their respective campsites.

This event is open to Scouts BSA, Venturers, Sea Scouts, and Explorers. Each team of 4 to 8 people will have one sled for the trek. Other Scouts are encouraged to cheer on their team as they complete each station. Unit/Teams will lose points for any additional assistance from bystanders. Participants may be considered youth, through age 20; however, registrants aged 18-20 may register as adults if they are supporting youth in a capacity of a "BSA Adult Member."
