2020 ZOMBOREE

CONCEPT

A zombie outbreak is threatening civilization, as we know it. The inhabitants of Pipsico City are hunkered down and determined to survive...

You must band together with your closest friends to form a team of incredible skill and talent. Using your advanced scout skills and teamwork, you must run through Pipsico avoiding the zombie hoard, eventually making your way to the sanctuary bunker that is fully stocked with supplies you'll need to re-create human civilization.

Check-in begins at 5:00 PM and ends at 9:00 PM firm. There will be a cracker-barrel for all participants Friday evening beginning at 9:00 PM. Another cracker-barrel with competitions will take place on Saturday evening. No other food is provided. Participants should plan and bring their own meals.

Event patches, participation ribbons, and competition ribbons will be distributed at the awards ceremony. The Zomboree is structured as a competition, "camporee" style event that will test your teamwork and scouting skills in order to survive a Zombie outbreak. Teams may compete for 1st, 2nd, and 3rd place, or simply participate for fun.

This event is open to Scouts BSA, Venturers, Sea Scouts, and Explorers. Teams should have a minimum of 4 and a maximum of 8-youth. Teams may be composed of Scouts from the same unit or entirely different units. For example, Scout who wish to participate as an Order of the Arrow team or inter-unit team may do so. Participants may be considered youth, through age 20; however, registrants aged 18-20 may register as adults if they are supporting youth in a capacity of a "BSA Adult Member." Attendance is limited to the first 350-registrants.

Leaders must monitor their units to ensure that clothing reflects good taste and Scouting standards.

Visitors are welcomed and encouraged to attend and watch the daytime activities and campfire. The individual Unit Leaders in Charge at the event are responsible for the behavior of all guests visiting his/ her unit or its members. MEDICAL MATTERS-

FOR SPECIFIC COVID-19 HEALTH POLICES SEE APPENDIX B

MEDICALS

According to BSA Policy, all Scouts and leaders should complete an Annual Health and Medical Record form (parts A&B only) for all Scouting activities. This is just the health history form (excluding the physician's portion). **IT IS THE RESPONSIBILITY OF THE UNIT** to obtain and maintain copies of these forms for members of their unit for all activities they conduct. Medical forms will NOT be turned in at check-in. The official BSA form is located here: http://www.Scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf.

MEDICAL TREATMENT

All units should bring a unit first aid kit and treat injuries within their capabilities. Units must report all injuries and other medical situations to the camp staff at the Health Lodge, even those they treat themselves. Qualified medical personnel will be on duty at the Health Lodge. If necessary, the camp staff will contact emergency medical services and ambulance services using 911. Unit leaders are expected to control all medications within their units.

PRESCRIPTION MEDICATIONS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. Provide a list of medication, dosage (Medical part B) and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications shall be given only in accordance with the label. Handwritten changes will not be accepted.

EMERGENCY PROCEDURES

Pipsico Scout Reservation maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member. In the event that an emergency arises, an alarm will sound from the program administration building (Burton Center). When this alarm is heard, all units and participants are required to assemble on the field in front of the Dining Hall, in Base Camp, and await further instruction.

GENERAL POLICIES-

ALCOHOLIC BEVERAGES & DRUGS

Alcohol and illegal drugs are prohibited. All prescription drugs are kept and administered by an adult within the unit. (See the Prescription Medications section above.)

CELL PHONE POLICY

We request that Scouts not take cell phones to program sessions or, at the very least, to turn them off. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases, can be extremely dangerous.

ELECTRONIC DEVICES

Radios, cell phones, CD players, video games, and other personal electronic devices detract from the camping experience and provide an inviting target for theft. Do not bring them into camp. If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios or pagers in camp, as these have proven to be highly disruptive of the camp routine.

FIRES, STOVES, TENTS & OPEN FLAMES

Fires will be authorized depending on the status of State and City fire prohibitions in effect for the weekend of the event. All fires are only permitted in the fire rings at each camp site. The staff will update units on the current fire policy at check-in. Units must post water buckets or a fire extinguisher in the fire area. Cutting of live trees, shrubs, or vegetation is prohibited. Wood is available in the Axe Yard at no-cost. Wood not used should be returned.

For safety reasons, there are to be **no open flames in tents**. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they are burning. Fires must be extinguished so that they are cold to the touch.

INITIATIONS, HAZING & MILITARY TRAINING

Corporal punishment, hazing, initiation of any sort, and military training and drill are not permitted in the BSA.

LIQUID FUELS

Adult leaders only may use stoves and lanterns requiring liquid fuel. Extra fuel must be turned over to the Quartermaster for safekeeping in locked storage.

MONEY & VALUABLES

Each family must decide how much spending money a Scout should take to camp. Each Scout is, however, responsible for the safeguarding of his money and personal property. It is recommended that expensive watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked, with the youth's name.

2020 ZOMBOREE

PETS

No pets are allowed in camp. Please ensure that anyone planning to visit your unit during the week is also aware.

RESTRICTED AREAS

The following areas are off limits to all campers: The Ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas (except for authorized adult volunteers), any program area where staff is not present, and the cliffs along the James River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

SMOKING & VAPING

Anyone under 21 years old is prohibited from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

TAPS/LIGHTS OUT

A Scout is courteous. All Scouts should be in their designated campsites at 10:30 PM to Wind-down the day's activities. Taps is at 11 PM. Unit leaders must ensure that fires and lanterns are out and that all their youth have retreated to their tents and are quiet.

TRAILERS

If your unit plans on bringing a trailer, please provide this information on the registration form. Specific campsites have been designated for unit use when a unit has a trailer. The requesting unit is permitted to have one trailer in the designated area at the perimeter of their campsite until checkout.

TRASH DISPOSAL

Participants should practice Leave No Trace principles to the maximum extent practicable. If you packed it in - you pack it out! All units are expected to police their camping area and remove all trash to the dumpsters located behind the dining hall or at the front of camp near the barn. Trash that will not fit in the dumpsters becomes the responsibility of the unit to remove from the campground. Do not pile trash next to the dumpsters. If the dumpsters are full at time of checkout then units **MUST** pack out their trash and dispose of it properly.

VEHICLES IN CAMP

Since safety is our number one priority, vehicles are not permitted past the Burton Center parking lot unless authorized by the event staff for unit gear drop off. Any vehicle that is authorized to drive beyond the Burton Center must remain on the main road. Absolutely no vehicles are permitted on grass or in campsites. Likewise, no vehicles authorized in camp may block the loading dock at the rear of the Dining Hall. Vehicle owners, and operators, who drive beyond the Burton Center parking lot do so at their own risk. Tidewater Council will not accept responsibility for any vehicle damage within camp.

No other motorized vehicles (golf carts, etc.) will be allowed in camp at any time except for use by designated camp staff. If the need arises for a vehicle to be in camp, approval **MUST** first be obtained from the Camp Ranger (Evan Sommerfeld) or the VP of Camping Operations (Wes Parker). Special arrangements will be available for special needs visitors, Scouts and Scouters as requested.

WEAPONS, KNIVES, FULL AXES, FIREWORKS, & FIREARMS

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp.

Pocketknives may be carried by adult leaders and any Scout who has earned the Totin' Chip or Whittling Chip. Fireworks & firearms of any kind are prohibited in camp. Law Enforcement Officers (LEO's), please notify the council prior to camp of any special requirements by your department.

APPENDIX B: PIPSICO'S COVID-19 POLICIES AND HELP SHEET

ALL Families MUST Read the Following Pages!!

PHYSICAL CONTACT AND FACE COVERINGS:

Campers and staff will be required to bring a supply of face mask to wear when social distancing of six feet is not conducive to the activity (For example, shooting sports). Check-in/out and program activities will be modified in such a way to mitigate the need for physical contact.

HANDWASHING:

All campers and staff will receive an orientation on personal hygiene, wash their hands before and after program areas. Program areas and facilities that do not have water sources will be furnished with adequate supplies of hand sanitizer. Signage will be posted throughout camp to provide public health reminders regarding hygiene. Handwashing stations are located in all campsites, and it's important for handwashing to be a practice within family units.

CAMP STORE:

Staff will wear face coverings and the cashier will be separate from customers with a vapor barrier. Physical distancing will be maintained by customers inside and capacity will be reduced and monitored. Exterior lighting will change colors to notify campers if the store is open, closed, at capacity or empty. An exterior service window will be available for purchases outside the building.

PHYSICAL DISTANCING POLICIES:

1. Six feet of space should always be observed when interacting with other guests outside of your family unit OR staff.
2. No sharing of activity equipment with other guest without proper cleaning by our staff.
3. A mask is recommended whenever interacting with staff or guests outside of your family unit.
4. Do not enter any buildings!
5. Shelters are closed and off limits to guests unless in use for the event as an activity area.

SUGGESTIONS FOR SOCIALLY DISTANCED ACTIVITIES (WHEN NOT IN AN ORGANIZED PROGRAM):

- Bring your own fishing poles and fish from the shore at the James River or off our fishing pier into our fully stocked lake
- Bring your own fun outdoor family games such as Corn Hole, Can Jam, Spike Ball and Wall Ball
- Explore the wondrous woods around us on our 916-acre property
- Stargazing
- Bring s'mores supplies for your campfire

Other important information: Please be kind to our wildlife! They have been less disturbed than usual and may have grown bold in the absence of large groups of people. If you have an issue with an animal, please call the Camp Ranger.

A HEALTHY CAMP BEGINS AND ENDS AT HOME!

A healthy camp really does start at home. Here are some things you can do to help your child have a great camp experience.

1. If your child is showing signs of illness such as running a temperature, throwing up, has diarrhea, nasal drainage and/or coughing/sneezing, keep the child home and contact the camp director. This greatly reduces the spread of illness at camp but also supports your child's recovery.

2020 ZOMBOREE

2. Teach your child to sneeze/cough in his/her sleeve and to wash his/her hands often while at camp, especially before eating and after toileting. If you really want to achieve impact, teach your child to accompany hand washing with another behavior: keeping their hands away from their face.

3. Make sure your child has and wears appropriate close-toed shoes for activities and that your child understands that camp is a more rugged environment than the sub/urban setting. Talk with your child about wearing appropriate shoes to avoid slips, trips and falls that, in turn, can result in injuries such as sprained ankle.

4. Send a reusable water bottle. Instruct your child to use it and refill it frequently during their camp stay. Staying hydrated is important to a healthy camp experience, something your child can assess by noting the color of their urine (“pee”); go for light yellow.

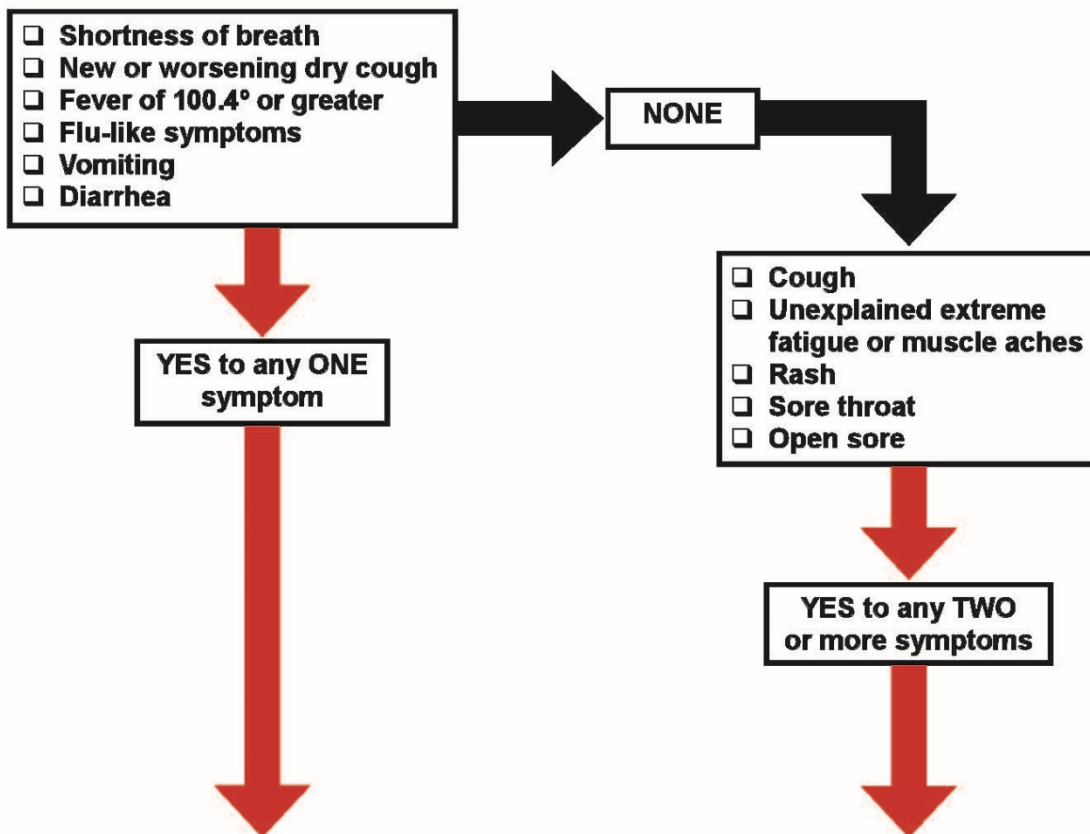

Please use the below Medical Screening Checklist PRIOR to Camp:

- Yes No Have you been in contact with anyone who has COVID-19 or is otherwise sick?
- Yes No Have you or anyone you have been in close contact with traveled on a cruise ship, internationally, or to an area with a known communicable disease outbreak in the last 14 days?

If the answer is “yes” to either of these questions, the participant must stay home.

- Yes No Are you in a higher-risk category as defined by the CDC guidelines?
If the answer is “yes” to this question, we recommend that you stay home. Should you choose to participate, you must have approval from your healthcare provider and then proceed to the symptom decision tree below.

If the above answers are “no,” proceed to this symptom decision tree.

THE PARTICIPANT MUST STAY HOME
These symptoms are associated with communicable diseases and the participant **MUST** stay home until medically cleared by their health care provider.

APPENDIX C: PIPSICO GUEST RISK COVENANT

MUST BE COMPLETED AND BROUGHT TO CAMP- 1 PER FAMILY

We face unprecedented times due to the pandemic of COVID-19. Your safety and the safety of all our guests, volunteers, and employees is Pipsico’s top priority. While there is still much uncertainty regarding COVID 19, we are monitoring the information provided by health experts and government agencies to help keep safe those who choose to be our guests this summer. Because of the risks associated with this disease, Pipsico will require each guest to comply with this Guest Covenant during family retreats this summer. Please read and acknowledge this covenant with your signature below:

If CDC or VA requirements change, I understand that this covenant may be revised for Pipsico to comply with those requirements.

Prior to arrival, I understand that all in my party should undergo a self-given health screening, including a temperature check. A temperature above 100.4 will require that I and any member of my traveling party not enter the property. All members of my party must be symptom-free from any illness for at least 14 days prior to arrival; signing this covenant so indicates my affirmation of that health status.

Upon arrival, I understand that a health screening will be conducted by Pipsico staff which will include a temperature check. Should anyone within my family/ group not pass the arrival screening, the entire group will not be allowed to enter camp.

I understand that any guest who becomes sick during their stay must immediately notify Pipsico personnel. A plan will be developed for each instance of sickness according to CDC and VA requirements.

I also understand that I and those in my party are recommended to wear a mask when interacting with other guests and staff and that we must maintain physical distance. All shared public spaces and surfaces will be closed. Activities such as outdoor picnics and hiking will not require face masks unless other instructions are given. Guidelines for additional activities with physical distancing may be added as the Virginia guidelines allow.

This is not a typical social stay, and I understand that we may not host anyone in our accommodations who is staying in another building, regardless of our relationship with each other. No guests without Pipsico reservations will be admitted on the property. Guests in buildings which are adjacent are encouraged to be creative in their interaction with other guests to arrange activities at a distance. Children are the responsibility of parents and may not interact with other children without physical distancing.

These precautions are important, but these efforts cannot eliminate the potential for exposure to COVID-19 or any other illness while at camp. Experts have said that people with COVID-19 may show no signs or symptoms of illness, but can still spread the virus, and people may be contagious before their symptoms occur. The fact is that someone with COVID-19 may pass the required health screenings and be allowed into camp. We will not hold Pipsico or the Tidewater Council liable should a member of our party contract COVID-19 after our stay.

I understand that as a guest of Pipsico, that it is my/our responsibility to evaluate my unique circumstances and make informed decisions prior to staying at Pipsico. I also understand that it is my/our responsibility to help keep our fellow guests and Pipsico staff safe. I/we will review the covenant with all in my party and follow it. I realize that if not, my stay may be cut short without refund if I refuse to follow this covenant.
