

Dear Unit Leaders:

We write to provide you another update for bringing your unit to Pipsico Scout Reservation in 2021!

- **The Updated Program Guide Is Now Available** -- It includes the information that you desire about merit badge prerequisites and other information. It is available at <https://pipsicobsa.com/resource-bank/>.
- **Merit Badges and Huskanaw** -- As we noted in our letter to you on March 12, 2021, our program will be outstanding and provide a first-year camper experience that we call Huskanaw. **We provide an overview of what we currently expect (it could change slightly) to cover in the 6 hours of Huskanaw at <https://pipsicobsa.com/resource-bank/>.** We also discussed that we plan to be in the cohort model with individual cohorts rotating during the week across five program sites. The expected offerings at each program site and the prerequisites for merit badges are now available for you at <https://pipsicobsa.com/resource-bank/>. Don't assume any merit badge not shown will be offered. As a reminder, the program schedule is available at pipsicobsa.com/sc-2021-faqs/.
- **Merit badge registration will open on April 30, 2021 at 9:00 am EST.** We apologize for the further delay and appreciate your patience and understanding as the technology, early-bird payments and other changes made this year have had more ripple effects than anticipated. Please review this video that walks you through step-by-step on how to register for merit badges - [View this video](#).
- **Patch Design**- We are pleased to unveil it to you:

We are looking forward to an awesome summer camping season and know that your unit will enjoy an outdoor Scouting experience at Pipsico Scout Reservation.

Sincerely,

John Scheib
Camp Director
