GUNS 'N' GRILLIN' 2.0 (OUTDOOR ADVENTURE WEEKEND) 2021

INTRODUCTION

The Guns 'n' Grillin' 2.0 (Outdoor Adventure Weekend) is designed to provide Scouts BSA Troops, Venture Crews, and Sea Scout Ships with an exciting weekend filled with the best outdoor programs the Boy Scouts of America has to offer. (Note: Cub Scouts are asked to register for one of the two (2) [Cub Scout Family Camps](#) in May and October, in order to participate in Cub Scout approved shooting activities.) This weekend will combine the most exciting shooting sports activities that are normally offered at a Guns 'n' Grillin' event (.22 Rifle, Shotgun, AR-15, Archery) with other activities such as large-scale pioneering projects, canoeing, and much more!

This weekend is designed to provide these unique programs, normally only available to units at summer camp or at outside facilities, to units on a weekend camping experience. Units are encouraged to develop their own organizational structure using the patrol method and practice outdoor camping skills outside of the scheduled program times.

Lunch of hamburgers and hotdogs will be provided on Saturday only. No specialty meals are provided for restricted diets, please plan accordingly. All other meals should be planned and prepared for by the individual units. Water will be available in all campsites.

Participants will be restricted from certain stations according to the guide to safe scouting. We strive to create unique, exciting, and safe shooting stations at every event. Shooting stations will include archery, tomahawk throwing, .and 22cal rifle (bolt action). Youth who wish to shoot shotguns and AR-15's may purchase a maximum of one "ticket" of each, online through Black Pug. **NO** onsite tickets can be purchased for either the shotgun or the AR-15 shooting ranges.

All activities are on Saturday only. Units are invited to arrive on Friday and depart on Sunday. Space is limited to 250 campers. **Shotgun tickets are \$6/10 shots and AR-15 tickets (Age 14 and Up Only) are \$8/10 shots. Shotgun & AR-15 tickets are non-refundable.**

Participants are invited to camp from Friday through Sunday, or any portion in between. The program will be on Saturday. Units are welcome to arrive on Friday to escape the city and setup camp and relax (this makes Saturday easier). Likewise, after a day of craziness on Saturday you are welcome to take it easy Saturday night and make your way home on Sunday.

Lunch on Saturday is the only meal provided this weekend. Please make alternate arrangements for other meals. Regardless, be prepared to prepare and clean-up what you bring. Water is available in all sites, and dumpsters are located at the entrance to camp for any waste. Please check the program schedule when planning your meals to ensure you have enough time to prepare, eat, and tidy up.

Important: Individual personal use of outside guns & ammunition is prohibited for safety reasons however, firearms and specialty ammunition for use by our Range Safety Officers and Range staff is needed for this event. Volunteers who are willing to share their firearms (along with supervision) are encouraged to email Wes Parker (wparker@pipsicobsa.com) to offer support. These arrangements must be made in advance. We are specifically looking for additional AR-15, and perhaps other caliber firearms (no SBR's or select-fire arms) to sample. On a similar note, we would like to solicit any support from NRA Instructors and RSO's for this event. We welcome as much certified support as we can get. Let's keep it safe, but extremely fun!

VISITORS & GUESTS

Visitors are welcomed to view the daytime activities; however, they must leave the property at the completion of the evening activities and may not participate in activities without registering with the unit. Visitors and guests are not permitted to spend the night.

GUNS 'N' GRILLIN' 2.0 (OUTDOOR ADVENTURE WEEKEND) 2021

MEDICAL MATTERS-

FOR SPECIFIC COVID-19 HEALTH POLICES SEE APPENDIX C

MEDICALS

According to BSA policy, all Scouts and leaders should complete an Annual Health and Medical Record form (parts A&B only) for all scouting activities. This is just the health history form (excluding the physician's portion). **IT IS THE RESPONSIBILITY OF THE UNIT** to obtain and maintain copies of these forms for members of their unit for all activities they conduct. Medical forms will NOT be turned in at check-in. The official BSA form is located here: http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf.

MEDICAL TREATMENT

All units should bring a unit first aid kit and treat injuries within their capabilities. Units must report all injuries and other medical situations to the camp staff at the Health Lodge, even those they treat themselves. Qualified medical personnel will be on duty at the Health Lodge. If necessary, the camp staff will contact emergency medical services and ambulance services using 911. Unit leaders are expected to control all medications within their units.

PRESCRIPTION MEDICATIONS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. Provide a list of medication, dosage (Medical part B) and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications shall be given only in accordance with the label. Handwritten changes will not be accepted.

EMERGENCY PROCEDURES

Pipsico Scout Reservation maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member. In the event that an emergency arises, an alarm will sound from the program administration building (Burton Center). When this alarm is heard, all units and participants are required to assemble in front of the Dining Hall, in Base Camp, and await further instruction.

YOUTH PROTECTION POLICIES

Leaders are asked to review the Guide to Safe Scouting before attending camp and ensure compliance by their unit with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection policies will result in disciplinary action. Key portions of the youth protection policies found in the Guide to Safe Scouting are reproduced below. Other Guide to Safe Scouting policies are also contained elsewhere in this guide.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times. Except in emergencies, adults and youth may not enter each other's designated sleeping and shower areas. No Scout may share a tent with an adult who is not his own parent or guardian.

GENERAL POLICIES-

ALCOHOLIC BEVERAGES & DRUGS

Alcohol and illegal drugs are prohibited. All prescription drugs are kept and administered by an adult within the unit. (See the Prescription Medications section above.)

GUNS 'N' GRILLIN' 2.0 (OUTDOOR ADVENTURE WEEKEND) 2021

CELL PHONE POLICY

We would request that Scouts not take cell phones to program sessions or, at the very least, to turn them off during sessions. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases can be extremely dangerous (Scouts participating in shooting sport activities should not be distracted by a ringing phone). Cell phone use inside the pool shower facilities is prohibited.

ELECTRONIC DEVICES

Radios, cell phones, CD players, video games, and other personal electronic devices detract from the camping experience and provide an inviting target for theft. We recommend that you do not bring them into camp. If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios or pagers in camp, as these have proven to be highly disruptive of the camp routine.

FIRES, STOVES, TENTS & OPEN FLAMES

Fires will be authorized depending on the status of State and County fire prohibitions in effect for the weekend of the event. All ground fires are permitted ONLY in the designated fire rings at each camp site. The staff will update units on the current fire policy at check-in. Units must post water buckets or a fire extinguisher in the fire area. Cutting of live trees, shrubs, or vegetation is prohibited. Wood is available in the Ax Yard. **We prohibit bringing wood from off property.**

For safety reasons, there are to be **no open flames in tents**. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they are burning. Fires are only to be built in designated areas and must be extinguished so that they are cold to the touch when unattended.

INITIATIONS, HAZING & MILITARY TRAINING

Corporal punishment, hazing, initiation of any sort, and military training and drill are not permitted in the Boy Scouts of America.

LIQUID FUELS

Adult leaders only may use stoves and lanterns requiring liquid fuel. Extra fuel must be turned over to the Quartermaster for safekeeping in locked storage.

MONEY & VALUABLES

Each family must decide how much spending money a Scout should bring to camp. Each Scout is, however, responsible for the safeguarding of their money and personal property. It is recommended that expensive cameras, watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked, with the scout's name and unit number.

PETS

No pets are allowed in camp. Please ensure that anyone planning to visit your unit during the event is also aware of this rule.

RESTRICTED AREAS

The following areas are off limits to all campers: The ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas, (except for authorized adult volunteers) any program area where staff is not present, and the cliffs along the James River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

GUNS 'N' GRILLIN' 2.0 (OUTDOOR ADVENTURE WEEKEND) 2021

SMOKING & VAPING

Anyone under 21 years old is prohibited from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

TAPS/LIGHTS OUT

A Scout is courteous. All scouts should be in their designated campsites at 10:30 p.m. to wind-down the day's activities. Taps is at 11 p.m. Unit leaders must ensure that fires and lanterns are out and that all their youth have retreated to their tents and are quiet.

TELEPHONES

During this time of year, there is no active land line telephone on the property. If adult leaders need to receive regular calls at camp, bring a cell phone or pager, or make arrangements to check with their office on a regular schedule. During an emergency, you can contact the Camp Director (contact information above.)

TRAILERS

If your unit plans on bringing a trailer, please provide this information on the registration form. Specific campsites have been designated for unit use when a unit has a trailer. The requesting unit is permitted to have one trailer in the designated area at the perimeter of their campsite until checkout. **Trailers are NOT to be parked past the wooden posts located around the perimeter of each campsite.**

TRASH DISPOSAL

Participants should practice Leave No Trace principles to the maximum extent practicable. If you packed it in - you pack it out! All units are expected to police their camping area and remove all trash to the dumpsters located behind the dining hall or at the front of camp near the barn. Trash that will not fit in the dumpsters becomes the responsibility of the unit to remove from the campground. Do not pile trash next to the dumpsters. If the dumpsters are full at time of checkout then units **MUST** pack out their trash and dispose of it properly.

VEHICLES IN CAMP

Since safety is our number one priority, vehicles are not permitted past the Burton Center parking lot unless authorized by the event staff for unit gear drop off. Any vehicle that is authorized to drive beyond the Burton Center must remain on the main road. Absolutely no vehicles are permitted on grass or in campsites. Likewise, no vehicles authorized in camp may block the loading dock at the rear of the Dining Hall. Vehicle owners, and operators, who drive beyond the Burton Center parking lot do so at their own risk. Tidewater Council will not accept responsibility for any vehicle damage within camp.

No other motorized vehicles (golf carts, etc.) will be allowed in camp at any time except for use by designated camp staff. If the need arises for a vehicle to be in camp, approval **MUST** first be obtained from the Camp Ranger (Evan Sommerfeld), or the VP of Camping Operations (Wes Parker). Special arrangements will be available for special needs visitors, Scouts and Scouters as requested.

WEAPONS, KNIVES, FULL AXES, FIREWORKS, & FIREARMS

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp.

Pocketknives may be carried by adult leaders and any Scout who has earned the Totin' Chip or Whittling Chip. Fireworks & firearms of any kind are prohibited in camp. Law Enforcement Officers (LEO's) please notify the council prior to camp of any special requirements by your department.

APPENDIX C: PIPSICO'S COVID-19 POLICIES AND HELP SHEET

ALL Families MUST Read the Following Pages!!

PHYSICAL CONTACT AND FACE COVERINGS:

Campers and staff will be required to bring a supply of face mask to wear when social distancing of six feet is not conducive to the activity (For example, gaga pit) **and while inside camp buildings** (for example while not seated in the dining hall). Check-in/out and program activities will be modified in such a way to minimize the need for physical contact.

HANDWASHING:

All campers and staff will receive an orientation on personal hygiene, wash their hands before and after program areas. Program areas and facilities that do not have water sources will be furnished with adequate supplies of hand sanitizer. Signage will be posted throughout camp to provide public health reminders regarding hygiene. Handwashing stations are located in all campsites, and it's important for handwashing to be a practice within family units.

CAMP STORE:

Staff will wear face coverings and the cashier will be separate from customers with a vapor barrier. Physical distancing will be maintained by customers inside and capacity will be reduced and monitored. Exterior lighting will change colors to notify campers if the store is open, closed, at capacity or empty. An exterior service window will be available for purchases outside the building. Face coverings must be worn by guests inside as well.

PHYSICAL DISTANCING POLICIES:

1. Six feet of space should be observed when interacting with other guests outside of your family unit OR staff wherever possible.
2. A mask is recommended whenever interacting with staff or guests outside of your family unit.
3. Do not enter any buildings unless specifically allowed for the event/ program.
4. If interacting closely with individuals outside your immediate family/ unit, please limit these interactions to outdoor areas of the property.

SUGGESTIONS FOR SOCIALLY DISTANCED ACTIVITIES (WHEN NOT IN AN ORGANIZED PROGRAM):

- Bring your own fishing poles and fish from the shore at the James River or off our fishing pier into our fully stocked lake
- Bring your own fun outdoor family games such as Corn Hole, Can Jam, Spike Ball and Wall Ball
- Explore the wondrous woods around us on our 916-acre property
- Stargazing
- Bring s'mores supplies for your campfire

Other important information: Please be kind to our wildlife! They have been less disturbed than usual and may have grown bold in the absence of large groups of people. If you have an issue with an animal, please call the Camp Ranger.

A HEALTHY CAMP BEGINS AND ENDS AT HOME!

A healthy camp really does start at home. Here are some things you can do to help your child have a great camp experience.

1. If your child is showing signs of illness such as running a temperature, throwing up, has diarrhea, nasal drainage and/or coughing/sneezing, keep the child home and contact the camp director. This greatly reduces the spread of illness at camp but also supports your child's recovery.

2. Teach your child to sneeze/cough in his/her sleeve and to wash his/her hands often while at camp, especially before eating and after toileting. If you really want to achieve impact, teach your child to accompany hand washing with another behavior: keeping their hands away from their face.

3. Send a reusable water bottle. Instruct your child to use it and refill it frequently during their camp stay. Staying hydrated is important to a healthy camp experience, something your child can assess by noting the color of their urine (“pee”); go for light yellow.

PLEASE USE THE BELOW MEDICAL SCREENING CHECKLIST PRIOR TO CAMP:

Because of the risks associated with this disease, Pipsico will require each guest to comply with this Guest Covenant during family retreats this season. Please read and acknowledge this covenant with your signature below:

If CDC or VA requirements change, I understand that this covenant may be revised for Pipsico to comply with those requirements.

Prior to arrival, I understand that all in my party should undergo a self-given health screening, including a temperature check. A temperature above 100.4 will require that I and any member of my traveling party not enter the property. All members of my party must be symptom-free from any illness for at least 14 days prior to arrival; signing this covenant so indicates my affirmation of that health status.

Upon arrival, I understand that a health screening will be conducted by Pipsico staff which will include a temperature check. Should anyone within my family/ group not pass the arrival screening, the entire group will not be allowed to enter camp.

I understand that any guest who becomes sick during their stay must immediately notify Pipsico personnel. A plan will be developed for each instance of sickness according to CDC and VA requirements.

I also understand that I and those in my party are recommended to wear a mask when interacting with other guests and staff and that we must maintain physical distance. All shared public spaces and surfaces will be closed. Activities such as outdoor picnics and hiking will not require face masks unless other instructions are given. Guidelines for additional activities with physical distancing may be added as the Virginia guidelines allow.

This is not a typical social stay, and I understand that we may not host anyone in our accommodations who is staying in another building, regardless of our relationship with each other. No guests without Pipsico reservations will be admitted on the property. Guests in buildings which are adjacent are encouraged to be creative in their interaction with other guests to arrange activities at a distance. Children are the responsibility of parents and may not interact with other children without physical distancing.

These precautions are important, but these efforts cannot eliminate the potential for exposure to COVID-19 or any other illness while at camp. Experts have said that people with COVID-19 may show no signs or symptoms of illness, but can still spread the virus, and people may be contagious before their symptoms occur. The fact is that someone with COVID-19 may pass the required health screenings and be allowed into camp. We will not hold Pipsico or the Tidewater Council liable should a member of our party contract COVID-19 after our stay.

I understand that as a guest of Pipsico, that it is my/our responsibility to evaluate my unique circumstances and make informed decisions prior to staying at Pipsico. I also understand that it is my/our responsibility to help keep our fellow guests and Pipsico staff safe. I/we will review the covenant with all in my party and follow it. I realize that if not, my stay may be cut short without refund if I refuse to follow this covenant.
