MEDICAL MATTERS-

FOR SPECIFIC COVID-19 HEALTH POLICES SEE APPENDIX B

MEDICALS

According to BSA Policy, all Scouts and leaders should complete an Annual Health and Medical Record form (parts A&B only) for all Scouting activities. This is just the health history form (excluding the physician's portion). **IT IS THE RESPONSIBILITY OF THE UNIT** to obtain and maintain copies of these forms for members of their unit for all activities they conduct. Medical forms will NOT be turned in at check-in. The official BSA form is located here: http://www.Scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf.

MEDICAL TREATMENT

All units should bring a unit first aid kit and treat injuries within their capabilities. Units must report all injuries and other medical situations to the camp staff at the Health Lodge, even those they treat themselves. Qualified medical personnel will be on duty at the Health Lodge. If necessary, the camp staff will contact emergency medical services and ambulance services using 911. Unit leaders are expected to control all medications within their units.

PRESCRIPTION MEDICATIONS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. Provide a list of medication, dosage (Medical part B) and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications shall be given only in accordance with the label. Handwritten changes will not be accepted.

EMERGENCY PROCEDURES

Pipsico Scout Reservation maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that every member of your unit fully understands that these procedures exist - their life, your life, or someone else's life could depend on it. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may launch the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member. **In the event that an emergency arises, an alarm will sound** from the program administration building (Burton Center). When this alarm is heard, **all units and participants are required to assemble at Awesome Field** in front of the flag poles and await further instruction.

YOUTH PROTECTION POLICIES

Leaders are asked to review the Guide to Safe Scouting before attending camp and ensure compliance by their unit with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection policies will result in disciplinary action. Key portions of the youth protection policies found in the Guide to Safe Scouting are reproduced below. Other Guide to Safe Scouting policies are also contained elsewhere in this guide.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times. Except in emergencies, adults and youth may not enter each other's designated sleeping and shower areas. **Two registered adult leaders** 21 years of age or over are required to attend this event. At least one (1) female adult over the age of 21 is required whenever female youth are present. No ScoutBSA youth may share a tent with an adult, regardless of whether or not they are his/ her own parent or guardian. Separate tenting arrangements must be provided for male and female youth. Youth sharing tents must be no more than two years apart in age.

GENERAL POLICIES-

ALCOHOLIC BEVERAGES & DRUGS

Alcohol and illegal drugs are prohibited. All prescription drugs are kept and administered by an adult within the unit. (See the Prescription Medications section above.)

CELL PHONE POLICY

We request that Scouts not take cell phones to program sessions or, at the very least, to turn them off. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases, can be extremely dangerous.

FIRES, STOVES, TENTS & OPEN FLAMES

Fires will be authorized depending on the status of State and City fire prohibitions in effect for the weekend of the event. All fires are only permitted in the fire rings at each camp site. The staff will update units on the current fire policy at check-in. Units must post water buckets or a fire extinguisher in the fire area. Cutting of live trees, shrubs, or vegetation is prohibited. Wood is available in the Axe Yard at no-cost. Wood not used should be returned.

For safety reasons, there are to be **no open flames in tents**. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they are burning. Fires must be extinguished so that they are cold to the touch.

INITIATIONS, HAZING & MILITARY TRAINING

Corporal punishment, hazing, initiation of any sort, and military training and drill are not permitted in the BSA.

LIQUID FUELS

Adult leaders only may use stoves and lanterns requiring liquid fuel. Extra fuel must be turned over to the Quartermaster for safekeeping in locked storage.

MONEY & VALUABLES

Each family must decide how much spending money a Scout should take to camp. Each Scout is, however, responsible for the safeguarding of his money and personal property. It is recommended that expensive watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked, with the youth's name.

PETS

No pets are allowed in camp. Please ensure that anyone planning to visit you or your unit during the weekend is also aware of this rule. Service animal use **MUST** be coordinated with staff prior to arrival.

RESTRICTED AREAS

The following areas are off limits to all campers: The Ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas (except for authorized adult volunteers), any program area where staff is not present, and the cliffs along the James River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

SMOKING & VAPING

Anyone under 21 years old is prohibited from using tobacco in any form while at camp. Adults who smoke must do so out of sight of any youth members. Smoking is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle. This includes E-cigarettes and Vaping products.

2022 ZOMBOREE

TAPS/LIGHTS OUT

A Scout is courteous. All Scouts should be in their designated campsites at 10:30 PM to Wind-down the day's activities. Taps is at 11 PM. Unit leaders must ensure that fires and lanterns are out and that all their youth have retreated to their tents and are quiet.

TRAILERS

If your unit plans on bringing a trailer, please provide this information on the registration form. Specific campsites have been designated for unit use when a unit has a trailer. The requesting unit is permitted to have one trailer in the designated area at the perimeter of their campsite until checkout.

TRASH DISPOSAL

Participants should practice Leave No Trace principles to the maximum extent practicable. If you packed it in - you pack it out! All units are expected to police their camping area and remove all trash to the dumpsters located behind the dining hall or at the front of camp near the barn. Trash that will not fit in the dumpsters becomes the responsibility of the unit to remove from the campground. Do not pile trash next to the dumpsters. If the dumpsters are full at time of checkout then units **MUST** pack out their trash and dispose of it properly.

VEHICLES IN CAMP

Since safety is our number one priority, vehicles are not permitted past the Burton Center parking lot unless authorized by the event staff for unit gear drop off. Any vehicle that is authorized to drive beyond the Burton Center must remain on the main road. Absolutely no vehicles are permitted on grass or in campsites. Likewise, no vehicles authorized in camp may block the loading dock at the rear of the Dining Hall. Vehicle owners, and operators, who drive beyond the Burton Center parking lot do so at their own risk. Tidewater Council will not accept responsibility for any vehicle damage within camp.

No other motorized vehicles (golf carts, etc.) will be allowed in camp at any time except for use by designated camp staff. If the need arises for a vehicle to be in camp, approval **MUST** first be obtained from the Event Chair and/ or the Camp Ranger (Evan Sommerfeld). Special arrangements will be available for special needs visitors, Scouts and Scouters as requested.

WEAPONS, KNIVES, FULL AXES, FIREWORKS, & FIREARMS

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows and arrows are not permitted in camp. Also, no water guns are permitted at camp.

Pocketknives may be carried by adult leaders and any Scout who has earned the Totin' Chip or Whittling Chip. Fireworks & firearms of any kind are prohibited in camp. Law Enforcement Officers (LEO's), please notify the council prior to camp of any special requirements by your department.

APPENDIX B: PIPSICO'S COVID-19 POLICIES AND HELP SHEET

ALL Families MUST Read the Following Pages!!

FACE COVERINGS AND PHYSICAL CONTACT:

Recommended for when indoors. It is recommended that campers and staff bring a supply of face mask to wear when social distancing of six feet is not conducive to the activity (For example, gaga pit) and while inside camp buildings (for example while not seated in the dining hall). Check-in/out and program activities will be modified in such a way to minimize the need for physical contact.

HANDWASHING:

All campers and staff will be expected to wash their hands before and after program areas. Program areas and facilities that do not have water sources will be furnished with adequate supplies of hand sanitizer. Signage will be posted throughout camp to provide public health reminders regarding hygiene. Handwashing stations are in all campsites, and it's important for handwashing to be a practice within family units.

CAMP STORE:

Face coverings are recommended to be worn by guests inside regardless of vaccination status. Staff will may wear face coverings. Physical distancing is encouraged to be maintained by customers inside and capacity will be reduced and monitored. Exterior lighting will change colors to notify campers if the store is open, closed, or at capacity. An exterior service window will be available for purchases.

1. Six feet of space is recommended to be observed when interacting with other guests outside of your family/ unit OR staff wherever possible.
2. A mask is recommended whenever interacting with staff or guests outside of your family unit.

SUGGESTIONS FOR SOCIALLY DISTANCED ACTIVITIES (WHEN NOT IN AN ORGANIZED PROGRAM):

- Bring your own fishing poles and fish from the shore at the James River or off our fishing pier into our fully stocked lake
- Bring your own fun outdoor family games such as Corn Hole, Can Jam, Spike Ball and Wall Ball
- Explore the wondrous woods around us on our 916-acre property
- Stargazing
- Bring s'mores supplies for your campfire

A HEALTHY CAMP BEGINS AND ENDS AT HOME!

A healthy camp really does start at home. Here are some things you can do to help your child have a great camp experience.

1. If your child is showing signs of illness such as running a temperature, throwing up, has diarrhea, nasal drainage and/or coughing/sneezing, keep the child home and contact the camp director. This greatly reduces the spread of illness at camp but also supports your child's recovery.
2. Teach your child to sneeze/cough in his/her sleeve and to wash his/her hands often, especially before eating and after toileting. If you really want to achieve impact, teach your child to accompany hand washing with another behavior.
3. Send a reusable water bottle. Instruct your child to use it and refill it frequently during their camp stay. Staying hydrated is important to a healthy camp experience, something your child can assess by noting the color of their urine ("pee"); go for light yellow.

PLEASE USE THE BELOW MEDICAL SCREENING CHECKLIST PRIOR TO CAMP:

(These questions will also be asked/ completed upon arrival at the event/ activity)

- Yes No Have you or has anyone in your household been in [close contact*](#) in the past 14 days with anyone known or suspected to have COVID-19 or is otherwise sick? ¹

¹ - Healthcare workers/ first responders who wear approved and properly fitted Personal Protective Equipment (PPE) while treating patients should follow their employer's guidelines when answering these questions.

***According to the Centers for Disease Control and Prevention (CDC), "close contact" means:**

****Potential Higher-Risk Individuals****

If the answer is "yes," we recommend that you stay home.

Should you choose to participate, you must have approval from your health care provider.

APPENDIX C: PIPSICO GUEST RISK COVENANT

MUST BE COMPLETED AND BROUGHT TO CAMP- 1 PER FAMILY (or Participant if attending alone)

We face unprecedented times due to the pandemic of COVID-19. Your safety and the safety of all our guests, volunteers, and employees is Pipsico's top priority. While there is still much uncertainty regarding COVID 19, we are monitoring the information provided by health experts and government agencies to help keep safe those who choose to be our guests this summer. Because of the risks associated with this disease, Pipsico will require each guest to comply with this Guest Covenant during family retreats this summer. Please read and acknowledge this covenant with your signature below:

If CDC or VA requirements change, I understand that this covenant may be revised for Pipsico to comply with those requirements.

Prior to arrival, I understand that all in my party should undergo a self-given health screening, including a temperature check. A temperature above 100.4 will require that I and any member of my traveling party not enter the property. All members of my party must be symptom-free from any illness for at least 14 days prior to arrival; signing this covenant so indicates my affirmation of that health status.

Upon arrival, I understand that a health screening will be conducted by Pipsico staff which may include a temperature check. Should anyone within my family/ group not pass the arrival screening, the entire group will not be allowed to enter camp.

I understand that any guest who becomes sick during their stay must immediately notify Pipsico personnel. A plan will be developed for each instance of sickness according to CDC and VA requirements.

I also understand that I and those in my party are recommended to wear a mask when interacting with other guests and staff and that should maintain physical distance. Activities such as outdoor picnics and hiking will not require face masks unless other instructions are given.

No guests without Pipsico reservations will be admitted on the property. Guests in sites/ buildings which are adjacent are encouraged to be creative in their interaction with other guests to arrange activities at a distance. Children are the responsibility of parents and should not interact with other children without physical distancing.

Information from the Centers for Disease Control and Prevention (CDC) shows that some people with COVID-19 may show no signs or symptoms of illness but can still spread the virus. Since some people may be contagious before their symptoms occur it is possible that an infected person may pass all the required health screenings and be allowed into a camp. We also know the very nature of camps and activities make social distancing difficult in many situations and impossible in others. We are modifying our programs to make them as safe as possible during the COVID-19 pandemic.

I understand that as a guest of Pipsico, that it is my/our responsibility to evaluate my unique circumstances and make informed decisions prior to staying at Pipsico. I also understand that it is my/our responsibility to help keep our fellow guests and Pipsico staff safe. I/we will review the covenant with all in my party and follow it. I realize that if not, my stay may be cut short without refund if I refuse to follow this covenant.
