The diverse offering of programs includes a week long sailing program, SCUBA camp, and the Pipsico Experience (PEX) which is a varied experience that includes shooting sports, aquatics activities, fishing, climbing, and a trip to a water park at the end of the week. Summer Adventure programs are open to BSA youth & adults; males & females.

Sail Hampton Roads- A full week of sailing and a different port of call every night along the southern Chesapeake Bay. Monday morning after breakfast, crews will muster, stow gear, and make ready for travel to board the sail boats. Setting Sail, the group will head towards ports in Cape Charles, Yorktown, Hampton, & Norfolk.

Each port visit will provide a variety of fun, interesting, and educational experiences.

SCUBA Camp- Earn "Open Water Diver" SCUBA Certification and your SCUBA Merit badge! Pipsico has partnered with a local professional diving center to develop a full week of underwater adventure. The course consists of three parts: classroom, confined water, and open water.
