2023 WINTER CAMP MERIT BADGE GUIDEBOOK

Introduction

This separate Merit Badge Guidebook is a companion document to the Winter Camp Guidebook (which can be found at PipsicoBSA.com/events-programs/winter-camp/). Use the information provided in this document to help participants choose their schedule for the Winter Camp event.

For updates please refer to the Pipsico website at http://PipsicoBSA.com click on the "Special Events" link at the top of the page and then Winter Camp.

MERIT BADGE INFORMATION

One of the main purposes of Winter Camp is to provide an opportunity to work on and earn merit badges. Per National BSA advancement policies, Scouts must have their Scoutmaster's approval before beginning work on a merit badge. The camp will provide qualified merit badge counselors to present the merit badge material, and lead practical assignments and exercises.

Merit badge counselors will indicate on the Merit Badge Card (downloaded from the reports section of your online registration) what each Scout has completed at camp, but it is ultimately the Scoutmaster's responsibility to sign off on whether they feel the merit badge has been satisfactorily completed.

MERIT BADGE SESSION SIGN-UPS

Each session will have a maximum number of scouts enrolled. Each Merit Badge Counselor determines the capacity of the group.

The Merit Badge & Course Offering Schedule is included within this document. When you receive it, please review the

Merit Badge Schedule and make a copy of the Winter Camp Schedule form for each Scout attending Winter Camp. Meet with each Scout to discuss the merit badge(s) they are is interested in and which one(s) are needed for their next rank advancement. Scouts should pick a 1st AND 2nd choice of merit badges. You will need their choices to continue onto step 2 in the enrollment process outlined below.

Merit Badge registration will be done <u>ONLINE</u>, and will be on a first come, first-serve basis and based on the availability of merit badge counselors. Online MB registration will be open starting at **10AM on December 3**rd. Once MB classes are full, they will automatically close. All registrations for the event and for MB sessions will be through your unit's registration portal for the event.

You MUST have Scout's Age and Rank Completed in registrations before Merit Badge Registration opening! Watch this 3-minute video prior to Merit Badge Registration opening-

HTTPS://YOUTU.BE/TAT1XJ2UF-U

Senior Scouts- Unit Leader's; the Eagle required Merit Badges of Communications, Citizenship in the Nation, and Citizenship in the World are extremely detailed and popular badges. In order for Scouts to get the full educational benefit of these badges and to allow Scouts from every unit registering (needing these for rank advancement) the opportunity to register for these courses, we **STRONGLY SUGGEST** a minimum rank requirement **of at least First Class** to register Scouts for these three classes.

<u>Interested in Counseling a Merit Badge??</u> Come with a positive outlook and aid every scout! To volunteer you <u>must be a registered merit badge counselor</u>, contact Wes Parker at <u>wparker@pipsicobsa.com</u>.

REMEMBER!! Scouts MUST bring to camp any pre-requirements for the merit badge(s) they are taking. Failure to do so will not make it possible to complete the merit badge at camp and the scout will be issued a partial complete.
