First Year Camper Program – Huskanaw “Rite of Passage”

Our unique program encompasses over 1 acre of property, filled with amenities specifically designed to focus on requirements for Tenderfoot, Second Class, and First Class ranks; in a setting that teaches new/younger Scouts about Troop structure, the value of the Patrol Method, the importance of the Buddy System, and the benefits of learning and applying new skills using the E.D.G.E. Method (Explain Demonstrate Guide Enable).

Merit Badge Program

There are over 50 merit badge programs available to capture the interests of all Scouts.

Specialty Adventure Programs

Those seeking more thrill and less advancement may choose from a collection of specialty programs. The diverse offering of programs includes a week long sailing program, SCUBA camp, and the Pipsico Experience (PEX) which is a varied experience that includes shooting sports, aquatics activities, fishing, climbing, and a trip to a water park at the end of the week. Summer Adventure programs are open to BSA youth & adults; males & females.

Annually, campers converge on Pipsico from all corners of the globe to experience genuine hospitality.
