

SUMMER CAMP 24

WEBELOS/ ARROW OF LIGHT & CUB SCOUT+ FAMILY SUMMER CAMP
PIPSICO SCOUT RESERVATION

BOY SCOUTS OF AMERICA®
TIDEWATER COUNCIL

ARROW OF LIGHT/ WEBELOS AND CUB SCOUT FAMILY SUMMER CAMP

This summer, Pipsico Scout Reservation is pleased to offer two overlapping overnight camping experiences, an Arrow-of-Light/Webelos Summer Camp and Cub Family Summer Camp. The Arrow-of-Light/Webelos Summer Camp is a 4-day, 3-night program geared specifically for our Arrow-of-Light and Webelos scouts that will help prepare them for their transition into the Scouts BSA program. Our Cub Family Camp is family-friendly and open to Tiger through Bear scouts, family members including siblings, and den chiefs. It is a 3-day, 2-night program.

Pipsico is the perfect spot for your family to have a great outdoor adventure. It has 916 acres of land, with a mile of beach on the bank of the James River in Surry County, Virginia. On the beach you can find fossil remains of sharks and whales amongst the shells. It is home to bald eagles, blue herons, wild turkeys and much more. Facilities include an air-conditioned dining hall, a swimming pool (zero-entry access), the newly refurbished showers in the pool house, a separate shower house and latrines (for both male and female participants), a fully equipped health lodge, a trading post, shooting ranges and more.

Everyone is encouraged to participate in the camp's theme during their stay at Pipsico. As you travel through the day's activities, everyone may participate in swimming, games, and hiking; however, some activities are just for the Cub-age participants, such as shooting sports and crafts.

Cub Scout Packs are highly encouraged to designate one "camp coordinator" (registered leader, parent, grandparent, etc.) for the purpose of registration and passing information back and forth between Tidewater Council and the families attending either Arrow-of-Light/Webelos Summer Camp or Cub Family Summer Camp. Doing so will increase the efficiency of the overall planning experience. If your Pack is not planning to attend, families may register individually.

DAILY PROGRAM

After breakfast each day, the scouts will assemble into dens (Tiger, Wolf and Bear ranks) or patrols (Arrow-of-Light and Webelos) for a fun-filled day of activities. Cub Family Summer Camp participants' activities include handicrafts, nature, swimming, fishing, archery, BBs, and more. Arrow-of-Light and Webelos activities also include repelling, canoeing, air rifle, and scout skills. Scouts will have opportunities to work on some of the many new Cub Scout electives introduced this year.

All meals for the weekend will be served in the Dining Hall. Your Pack will be asked to provide a

table host and a waiter for each table at each meal; duties of the table host and waiter will be explained at check-in. Normally, you will have one or more camp staff members as your guests at each table. Guests are chosen by selecting camp staff members' totems and placing them on the tables prior to the meal. Be sure to select different totems for each meal so you can meet a variety of camp staff. Lunch is served cafeteria-style.

There will be two camp-wide programs during the weekend. These are the closing campfire program on Saturday evening and the Scout's Own interfaith worship service on Sunday morning. All scouts should be encouraged to attend the worship service as part of their "duty to God."

ACTIVITY SESSIONS

The purpose of summer camp is to complement your Pack program. Pipsico does not wish, in any way, to disrupt the identity of your contingent. The camp experience is very flexible. Packs may opt in or out of camp scheduled activities in favor of their own special traditions.

BOATING
SWIMMING
HANDICRAFT
NATURE
SHOOTING
SPORTS

Summer camp is an excellent opportunity to make awesome memories while taking advantage of our unique programming offerings. Cub Scout Packs use summer camp as an annual program highlight and shape their annual calendars to build stronger dens, teach Scout skills, and celebrate the fine work of wonderful families.

Take advantage of summer camp. Enjoy campfires. Relax in the pool during open pool time. Play field games like volleyball, frisbee, horseshoes, and gaga ball among families.

Rally camp attendance to build a stronger Cub Scout Pack and earn points for Journey to Excellence.

WE WOULD LIKE TO THANK

America's Leading Charitable Organization in Support of the Shooting Sports

TIDEWATER COUNCIL, BSA

Phone: (757) 497-2688 | Fax: (757) 473-3305
Council Website: www.TidewaterBSA.com
Address: 1032 Heatherwood Drive, Virginia Beach, VA 23455

PIPSICO SCOUT RESERVATION

Phone: (757) 349-6603
Camp Website: www.PipsicoBSA.com
Address: 57 Pipsico Road, Spring Grove, VA 23881

All pre-camp correspondence should be mailed to the Tidewater Council, BSA main office. The Pipsico address should be used for driving directions & camper mail only.

MAKING YOUR BASE CAMP RESERVATION

Packs/ families may reserve space by making an initial non-refundable deposit of **\$25 per camper**. Deposits will be applied toward the final balance due. All reservations are made on a first-come-first-serve basis. Deposits are not refundable. Register/ Pay online at SCOUTINGEVENT.COM/596-CSSFCCAMP24 for Cub + Family Camp and then at SCOUTINGEVENT.COM/596-WEBSCAMP24 for Webelos Summer Camp. Please view these short instructional videos, [PART 1](#) & [PART 2](#) on setting up an account & roster. View these additional videos: [PART 1](#) - [PART 2](#) for further details on the registration process. You CAN register AND pay online using funds from your unit's Scout Store account.

CAMPERSHIPS

Our mission is to make summer camp available to every Scout. A limited fund is available to provide assistance to Tidewater Council Scouts who would otherwise be unable to attend. To qualify, Scouts are expected to participate in fund raising programs to help pay the cost of camp. E-mail summercamp@pipsicobsa.com for info.

REFUND POLICY

Through June 1st, in cases of death of an immediate family member, grave illness or injury, or military transfer, we will refund all but \$50 of fees paid when verified by a physician, military commander, or such official. Reasons such as vacation schedule, summer school, and last minute changes of mind are not acceptable reasons for refunds. Camper deposits are transferrable within a unit, but are not refundable. After 6/1 no refunds are available for any reason.

CHECK-IN

Webelos Summer Camp: Plan on arriving between 12:30PM and 1:30PM on Thursday.

Cub Family Summer Camp: Plan on arriving between 4:00PM and 5:00PM on Friday.

Upon arriving at Pipsico, follow the signs for Camp Lions (a sub-camp of the Pipsico Scout Reservation) and park in the main parking lot in front of the Burton Center. If you plan to arrive late, please notify us in advance so special arrangements can be made. If you are delayed on the way to camp, let us know. At check-in, we will verify the number of campers and confirm paperwork is in order. Your pre-ordered T-shirts will be given to you at this time. Then you will meet your Staff Guide who will escort you through the remaining check-in procedures:

- Gear Drop
- Medical Screening
- Orientation
- Unpack Gear

At this time the Staff Guide and your contingent leader will conduct an inspection of the campsite to ensure that all equipment is in place and in good condition. During check-in, your guide will take you on a camp tour and point out our program areas. This is the time to ask questions.

CHECK-OUT

Plan on leaving camp by 10:30AM on Sunday. One vehicle per Pack at a time may enter the campsite to load gear no earlier than 9:00 am. Once your gear is packed out and your campsite and latrine are clean, a staff member will inspect the campsite and release you from camp. Once you have been checked out of your campsite and picked up your health records and medications from the Health Lodge, we will distribute participant patches.

CAMPSITES

Every campsite in Pipsico is divided into patrol sites. A patrol site will have 3 or 4 platform tents grouped together. Larger Packs may have a campsite to themselves, while smaller Packs may share a campsite, each occupying their own patrol site(s). Platform tents measure 9 ft x 7 ft and are equipped with two army-style cots in each. For your sleeping comfort, we recommend each camper bring a mosquito net and poles to support it (the poles may be lashed or taped to the cot legs). **Personal tents ARE permitted.**

Every campsite has a latrine facility, with a washstand, running water (for washing and drinking), trashcan, shovel, rake and hose. The tools serve as fire control equipment and the hose also helps to clean the latrine. (Keep the lids closed in the latrine when not in use to reduce odor.) Picnic tables are located throughout each site. Many patrol sites have an established fire ring where you are welcome to have Pack or den campfires in the evenings. Please do not create new fire rings. Digging can expose our tree's roots which can catch fire. You may gather cut firewood from the Axe Yard near the Order of the Arrow open pavilion on the hill above the dining hall. You may also use any dead wood you find on the ground.

Hot showers are available at the pool for youth and adults. A shower house with 7 individual full bathrooms is located between campsites 9 and 10 and is open to all.

If electricity is needed for medical devices, this should be noted in your registration. There are limited sites with electricity. A minimum of 100 feet of extension cord is often needed, as outlets are in one place in each of the four sites. Extension cords are the individual's responsibility to provide. Batteries for CPAPs can be charged daily in the Burton Program Center or Health Lodge

HEALTH & SAFETY

MEDICALS

All Scouts and adults must submit a copy of their BSA Annual Health and Medical Record (parts A and B) to the camp Health Officer during check-in. Anyone staying in camp overnight must have a BSA physical form on file at the Health Lodge. The official BSA Health and Medical Record form is located here: <https://www.scouting.org/health-and-safety/ahmr/>.

EMERGENCY PROCEDURES

The Tidewater Council maintains emergency procedures to meet, and in some cases, exceed the standards set by the Boy Scouts of America. It is essential for everyone's safety that everyone fully understands that these procedures exist... their life, your life, or someone else's life could depend on it. It is also part of the BSA's national standards that we conduct an emergency drill during your stay at camp. Please be sure to follow only instructions delivered by the staff chain of command. Likewise, if an emergency arises, or is brought to your attention, please notify the nearest staff member immediately so that we may initiate the appropriate procedures. Do not attempt to resolve an emergency situation alone. Notify the nearest staff member.

YOUTH PROTECTION

Adults must review the Guide to Safe Scouting and successfully complete the online Youth Protection Training (YPT) before attending camp. Leaders will ensure compliance by their pack with policies as detailed in the Guide, particularly in respect of youth protection policies. Failure to comply with Guide to Safe Scouting and youth protection will result in disciplinary action.

Packs must have at least two adults in Pipsico at all times with at least one being registered with BSA and at least one being 21 years or older. If you are a family Pack with female scouts attending camp, you must have at least one adult female age 21 or older. Packs may rotate leaders, provided the incoming and outgoing leaders follow prescribed check-in and check-out procedures at the camp office in Burton Center. The leaders need not be together nor in the campsite at all times. Per YPT requirements, one youth may not be alone in the campsite or anywhere else in camp with only one adult who is not their parent or legal guardian. This situation can be avoided by adherence/following the Buddy System and YPT guidelines.

Every youth should be with a designated buddy at all times when away from the Pack's campsite. A parent or legal guardian may act as a buddy with their own child but not other adults.

Adult leaders must respect the privacy of youth members and protect their own privacy at all times. Youth are not permitted in adult showers. If younger children require adult assistance, please use the showers between sites 9 and 10. No Scout may share a tent with an adult other than their parent/legal guardian and Youth sharing tents must be no more than two years apart in age.

PRESCRIPTION MEDICATIONS

All prescription drugs are kept and administered by the unit. It is to be kept in a secured location out of the reach of the children. If medication requires refrigeration, it can be checked in with the Health Officer at check-in. Provide a list of medication, dosage and to whom you are administering medication to when you check in with the Health Officer. By law, medications must be in a container with a typed label from the pharmacy. Medications will be given only in accordance with the label. Handwritten changes will not be accepted.

ALLERGIES & MEDICAL NEEDS

All individuals, youth and adult alike, who have allergies or special medical needs (e.g. asthma), must be brought to the attention of the Camp Health Officer. Unit leaders who have individuals with special dietary requirement or food allergies should be noted in your online reservation and also conveyed to the Food Service Director prior to camp and at check-in.

Pipsico is open to any registered member of the Boy Scouts of America, and every effort will be made to accommodate special needs. Food allergies/intolerances need to be reported in advance of camp to give the food service staff adequate opportunity to purchase and prepare alternate menus. Vegan diets cannot be accommodated. Vegan campers will need to bring meal supplements for their time at Pipsico. **Only dietary restrictions listed on your medical form, signed by a physician, can be accommodated during your stay.** Please see our [Special Dietary Needs Request Form](#).

While summer camp is a totally different experience from school, the need for self-control, attentiveness, and social interaction is much the same. If a scout uses medication during the school year to manage behavioral conditions such as ADHD, we strongly encourage that they continue those medications during camp.

MEDICAL TREATMENT

Pipsico always has a Health Officer on duty. Basic first aid can be done by the unit, however, must be recorded on the log located in the campsite first aid kit. This applies to all campers, youth and adult. The Health Officer is available to consult and treat other injuries and

illnesses. They will keep a log of all injuries or illnesses treated at the health lodge. In addition to the Health Officer, other key staff members are also trained in first aid and CPR. In the event of serious medical problems, the camp has agreements with the Surry County Rescue Squad, a medical treatment facility in Smithfield, and local hospitals in Suffolk and Hopewell.

The cost of medical treatment away from camp will be billed to the camper's primary insurance carrier. Registered Tidewater Council units are covered by supplemental insurance, which covers certain deductibles and other expenses for injuries and illnesses incurred at camp. Parents must make arrangements for treatment of pre-existing conditions. Tidewater Council's policy does not cover out-of-council units; those units need to submit a certificate of insurance from their home council or unit prior to arriving at camp. We recommend that this be done when making your final camp fee payment.

FIRES, STOVES, TENTS & OPEN FLAMES

For safety reasons, there are to be no open flames in tents. This ban on open flames in tents includes a ban on the use of matches, candles, kerosene, propane or liquid lanterns in tents. Lighting in tents is to be provided by battery-powered lanterns or flashlights only. It is, however, acceptable to use a lantern under a dining fly. All cooking fires, campfires and stoves are to be attended while they are burning. Fires are only to be built in designated areas and must be extinguished so that they are cold to the touch when unattended. Spraying aerosol cans of any type (insecticide, deodorant, hair spray, etc.) is prohibited in tents. The propellants in these products will damage waterproofing treatment.

GENERAL INFORMATION

BICYCLES

Scouts and Leaders are permitted to bring their bicycles and helmets to camp. It is the responsibility of the unit leader to make sure that all bikes the unit brings are safe to use and properly maintained. Helmets are required for all riders.

CELL PHONE POLICY

We would request that Scouts not take cell phones to program sessions or, at the very least, to turn them off during sessions. Use of cell phones during program sessions is inconsiderate to other participants and, in some cases, can be extremely dangerous. Scouts that are climbing, lighting fires, etc, should not be distracted by a ringing phone.

TRADING POST & SPENDING MONEY

In addition to program materials, Our Trading Post offers a variety of snacks and drinks plus a wide selection of camping supplies, Scouting materials, and special Pipsico souvenirs. We recommend each Scout have some extra spending cash for the Trading Post (suggested \$25 to \$40 if purchasing Pipsico branded items).

ELECTRONIC DEVICES

Radios, cell phones, video games, and other personal electronic devices detract from the camping experience and provide an inviting target for theft. Do not bring them into camp. If you permit them during travel to and from camp, please leave them in the car during your stay at camp. Youth campers are not permitted to have two-way radios in camp, as these have proven to be highly disruptive of the camp routine.

LEAVING CAMP

Anyone leaving the camp at any time during the week must sign out at the camp office and sign in upon their return. We strongly discourage Scouts from leaving camp during the week. Scouts may only leave with a parent, guardian or other individual designated in writing by a parent. Photo IDs are required. An adult unit leader must accompany a Scout to the office to check out. Adults leaving camp must ensure that the unit still has two-deep leadership during their stay at Pipsico.

MONEY & VALUABLES

Each family must decide how much spending money a Scout should take to camp. Each Scout is, however, responsible for the safeguarding of their money and personal property. It is recommended that expensive cameras, watches, and personal entertainment devices be left at home. Regardless, all items should be clearly marked, with the Scout's name and unit number.

SWIM CHECK

We love for units to conduct their own swim checks before camp to help expedite the check-in process. Feel free to conduct your own following the guidelines in the Swim Test section of this guide. If your unit cannot conduct a swim check before arrival, swim checks will happen at the beginning of a scouts first pool activity block. Please remember that it is imperative that each Scout and adult who plans to be in or on the water during the week completes this swim test.

TELEPHONES

Should anyone need to contact a camper on an important matter, please contact your Pack leaders first. If you are unable to reach them, call the camp at (757) 349-6603. Phone messages will be written and placed in the Packs mailbox; emergency messages will be delivered as soon as possible. Cellular signals are not always available at camp. We are a remote site, and it will depend on your carrier. Verizon seems to work the best.

VEHICLES IN CAMP

While Camp is in session, all Scouts, leaders and visitors are prohibited from driving past the gate at the Health Lodge. During check-in, one vehicle will be allowed to your campsite to drop off your Pack gear. As soon as it is unloaded, it must promptly return to the Burton Center parking lot. **NO VEHICLES ARE ALLOWED TO STAY IN CAMP.**

If your Pack has a trailer, check it in at the Burton Center. Then the trailer can be placed at the entrance of your assigned site with the towing vehicle promptly returning to the Burton Center parking lot.

FOOTWEAR

Closed-toe shoes that secure to the foot must be worn at all times by everyone, including visitors. All participants must bring an extra pair of sneakers or water shoes to wear for waterfront activities. **NO flip flops or sandals.** The only exceptions are while in a shower building, inside the pool perimeter, or in bed.

UNIFORM & DRESS CODE

The BSA Cub Scout field uniform (navy blue or tan shirts) is the most appropriate uniform for the evening flag ceremony and camp wide events such as the Saturday evening closing campfire. At other times, we encourage campers to wear activity appropriate clothing. Pack activity shirts, day camp shirts, Pipsico shirts help show scout spirit. Campers' midribs must be covered. Shirts that promote alcohol, tobacco, or are otherwise inconsistent with Scouting values are not allowed.

Adults should wear appropriate clothing as well. Sleeveless shirts for women are acceptable however halter tops, spaghetti straps or sheer tops are not. Modesty is important, shorts must go below your fingertips. Swimsuits should be modest and cover you appropriately. For females, one piece or tankini type suits are preferred.

NO PETS, PLEASE

No pets are allowed in camp. Please ensure that anyone planning to visit your pack during the week is also aware of this rule. Service animals must always be on leash and wearing vests.

VISITORS

Visitors are welcome at any time between 9:00 AM and 9:00 PM. Visitors must sign in at the camp office (Burton Center) upon arrival and sign out upon departure. Visitors must be escorted at all times by either a member of the camp staff or a registered camper from their own unit. All visitors must be wearing appropriate clothing (consistent with scouting values), including closed toe shoes. Visitors may purchase meal tickets for any meal during their visit at the Trading Post after checking in at the Burton Center. The cost for guest meals is \$8 for those aged six and up. Children under the age of six are free. Reservations and meal payments may be made when your Pack checks in. After dinner, visitors are encouraged to attend evening activities with their scouts. Visitors are not permitted to camp overnight.

RESTRICTED AREAS

The following areas are off limits to all campers: The ranger's home and maintenance areas, camp staff living areas, the kitchen and food storage areas (except for authorized adult volunteers), any program area where staff is not present, and the cliffs along the River. Scouts may visit the waterfront for beach combing or fishing only when staff is present or when accompanied by an adult leader.

ALCOHOL AND DRUGS

Alcohol and illegal drugs, including marijuana, are prohibited and grounds for expulsion. The [BSA Scouter Code of Conduct](#) is hereby incorporated into this document and applicable. All prescription drugs are kept and administered by an adult within the unit. (See the *Prescription Medications* section)

SMOKING/VAPING

Anyone under 21 years old is prohibited from using tobacco in any form while at camp. Adults who smoke or vape must do so out of sight of any youth members. Smoking and vaping is prohibited in any tent or building. Cigarette butts must be field stripped and placed in a trash receptacle.

STAFF

We work hard to recruit and train the best possible staff to provide a dynamic program in support of your troop. All have been selected based on Scouting skills, leadership experience, enthusiasm, and maturity. They have one of the most demanding jobs imaginable, and they do it cheerfully because they love Scouting. They have made personal sacrifices to be here for you. As we all do, they occasionally make honest mistakes or judgment errors, and will work hard not to repeat them. In such cases, do not confront them or intervene in their work unless there is an immediate safety concern. If you feel that the performance of any staff member does not meet the highest standards of Scouting, please see the Camp Director or Program Director immediately.

KNIVES, GUNS, & AMMO

Pipsico provides all necessary and appropriate equipment for our shooting programs. Personal firearms, ammunition, bows, and arrows are not permitted in camp. Also, no water guns are permitted in camp. Pocket knives and multi tools may be carried by adult leaders and any Scout who has earned their Whittling Chit. Fireworks and firearms of any kind are prohibited in camp. LEO's please notify the camp director prior to camp of any special requirements by your department.

PACK PRE-CAMP CHECKLIST

REQUEST YOUR PACK COMMITTEE TO:

- Prepare and distribute resident information to your pack. This should include information about Pipsico, travel plans, medical forms, and equipment lists.
- Arrange transportation.
- Contact families of Scouts who are not signed up for camp and encourage them to attend.
- Collect all fees and forward them to the Tidewater Council.
- Collect sizes, and payments for t-shirt order.
- Submit rosters, shirt sizes and medical needs online during your reservation.
- Complete pre-camp checklist.

(Instructions will be available at www.PipsicoBSA.com)

AT A MEETING OF CAMP ATTENDEES:

- Review Pack equipment lists.
- Review program.
- Review travel plans.
- Review the personal equipment list with families.

AT A PARENTS' MEETING HELD AT LEAST TWO WEEKS PRIOR TO CAMP:

- Confirm travel plans both to and from camp.
- Review program opportunities.
- Make sure you have a completed [BSA Health & Medical Record \(parts A, B & C\)](#) for ALL attending camp.
- Make sure you have any receipts received for payment of camp fees and that you have cash or checks for the balance of any fees due for payment at camp
- Before pulling out of the parking lot to leave for camp make sure that you have everyone that is going, all of the Pack's and the individuals' equipment, and that you have the medical forms

RECOMMENDED PACKING LISTS

INDIVIDUAL SCOUT EQUIPMENT

- Full Scout Field uniform
- Sneakers or Hiking Boots (Extra Pairs)
- Underwear
- Extra Clothing
- Hat(s)
- Socks
- Jacket
- Swimwear (appropriate & modest)
- Rain Gear
- Flashlight w/extra batteries
- Sleeping bag or 2 sheets and blanket
- Pack or footlocker for gear
- Scout Handbook
- Pen/Pencils and paper
- Completed medical form (Parts A & B)
- Spending money (\$40.00 ish)
- Hand Towel
- Bath Towel (2)
- Wash Cloth
- Soap
- Toothbrush
- Toothpaste
- Brush or Comb
- Canteen or Water Bottle

OPTIONAL PERSONAL GEAR

- Fishing Gear
- Mosquito netting & poles
- Camera
- Bug repellent
- Sunscreen
- Musical instrument
- Alarm Clock – battery operated
- Pillow
- Bible or Prayer book

PACK / DEN EQUIPMENT

- 100 ft. Rope
- US/Pack/Patrol Flag
- Propane (or Battery) lanterns
- Props for Skits
- Thumbtacks for site bulletin board
- First Aid Kit (Pack kit to remain in site)

ADULT SPECIAL NEEDS

- Pens/Pencils and paper
- Alarm Clock
- Skit & Song Books
- All Pack / Den Paperwork
- CPAP (Battery packs can be charged during the day, or request an electric site & bridge 150 ft. of extension cords.)

PERSONAL TENTS

Although tents and cots are provided, families are permitted to bring their own tents. Please notify us through your reservation how many personal tents your contingent is bringing. This helps determine which site best suits your needs.

INCREDIBLY IMPORTANT!!!

Every youth and adult attending summer camp is required to have a complete BSA medical form (parts A, & B). This is an annual form that expires at the end of the month a year after the previous BSA medical form was completed.

DIETARY NEEDS

Please help us plan by telling us in advance (on your reservation) of dietary restrictions. Grocery stores are not close by. Only dietary needs listed on a signed medical form can be accommodated during your stay.
